

ABSTRACT SUBMISSION GUIDELINES

Submission Deadline: 15th September

TOPICS

- SCS_Biomechanics and motion analysis
- SCS_Exercise physiology
- SCS_Injury prevention and return to play
- SCS_Neuromuscular basis of strength and fitness
- SCS_Resistance training and fitness
- SCS_Strength, power and speed training
- SCS_Strength and conditioning in Team Sports

ABSTRACT SUBMISSION GUIDELINES

- Language: ENGLISH.
- Length: max 3000 characters – spaces and symbols included. Abstracts NOT complying with this requirement will NOT BE taken into consideration.
- The abstract text must NOT include the title, authors or affiliation (the latter information will be filled out during the online submission process).
- It is allowed only submission for no more than 2 abstract for presenting/submitting author
- Abstract must be submitted as text only (no tabs, images or graphics allowed).

HOW TO PROCEED:

- Read carefully the requirements and conference topics.
- Insert your abstract text, as required.
- Fill-out the submission form with your information, as well as including those of the co-authors. You will need to identify who will be the “presenting author”, which will be underlined in the program.
- Select one of the proposed topic areas.
- Select type of presentation (poster).
 - The best abstracts based on scientific merit may be selected to give a brief presentation (3 min) during the poster session.
- Select if you would like your abstract to be evaluated for one of the Awards (SCS Young Investigator, SCS Applied Science Award). See below for more detail.
- Upload your abstract in the selected field and finalize the procedure.
- After submission you will receive a confirmation email with username and password that you may use to review your submission, as well as to modify it within the deadline. Once the deadline has passed, abstracts can no longer be modified by the authors.
- Once your abstract is evaluated, you will receive confirmation by email.
- To be granted access to the Conference and the Abstract Publication in the, you will need to finalize your registration by October 15th.

ABSTRACT SUBMISSION GUIDELINES

AWARDS

SCS Young Investigator Award Requirements

- ✓ Presenter and submitter must be the same person and less than 30 years of age.
- ✓ The candidate must apply for an oral communication.
- ✓ Candidates will be evaluated on creativity, effort, attention to scientific detail and presentation skills. The award committee will take into consideration the similarity between the submitted abstract and the poster presentation.

SCS Applied Science Award Requirements:

- ✓ Candidates will be evaluated on creativity, effort, and applicability to sport, coaches or athletes. The award committee will take into consideration the similarity between the submitted abstract and the poster presentation.

The winners will be presented during the Award Ceremony.

Enquiries can be sent to scs@akesios.it.
