

**BOARD MEMBER POSITION SPECIFICATIONS**

<b>POST:</b>	Member of the Board of Directors, Strength and Conditioning Society (SCS).
<b>ABOUT THE SCS:</b>	<p>The SCS is a non-profit, international association devoted to fostering scientific research and professional recognition in the field of strength and conditioning.</p> <p>Through its sport sciences and clinical multi-disciplinary team of professionals, the SCS aims to examine strength training and conditioning from a multifaceted perspective, including all physiological, biomechanical, psychological and epidemiological aspects. Thus, it strives to improve knowledge in the area of strength and conditioning and its broad application to sports performance, injury prevention, rehabilitation, and health improvement.</p>
<b>BRIEF DESCRIPTION:</b>	<p>According to the statutes of the SCS, all members of the Board of Directors hold office for three years and shall not serve for more than two terms in succession in the same capacity (although they can be eligible after three years from their last election).</p> <p>The year 2021 marks the end of the first three-year cycle. Therefore, the SCS is renewing its Board of Directors and is seeking suitable applicants to become new Board Members.</p>
<b>MAIN RESPONSIBILITIES:</b>	<ul style="list-style-type: none"> <li>• Drawing up the scientific programme, activities and balance sheet of the SCS for the following financial year;</li> <li>• Drawing up the annual report of the activities carried out by the SCS and the financial statement and estimated budget to submit to the Shareholders;</li> <li>• Making decisions with respect to the organisation's activities and in particular the annual congresses and other local, regional, national and international scientific meetings;</li> <li>• Organising and promoting education and certification courses, seminars and scientific congresses in order to foster excellence in the strength and conditioning community and provide internationally recognised certificates of respective education;</li> <li>• Promoting collaborative projects with existing national strength and</li> </ul>

	<p>conditioning associations and organisations as well as renowned coaches;</p> <ul style="list-style-type: none"> <li>• Contributing to the publication of periodicals and scientific journals reserved for its members;</li> <li>• Disseminating SCS activities and fostering collaborations between its members;</li> <li>• Monitoring the latest developments and research in the field of strength and conditioning.</li> </ul>
<p><b>DESIRABLE SKILLS AND EXPERIENCE:</b></p>	<p>Candidates must be accredited members of the SCS, and should have both a strong motivation to promote the society's further development and the availability to dedicate the amount of time required to fulfill the demands of the position. In addition, the candidates should ideally meet the following criteria:</p> <ul style="list-style-type: none"> <li>• Recognised academic background (PhD desirable);</li> <li>• Demonstrable background in S&amp;C;</li> <li>• Demonstrable knowledge or experience running similar societies in terms of conference organisation, human resources management, educational programmes delivery, etc;</li> <li>• Ability to network effectively;</li> <li>• Ability to work as part of a team;</li> <li>• Ability to lead small groups of people.</li> </ul>
<p><b>Deadline</b></p>	<p>If you are interested and have a strong motivation to promote the society's further development, please send your Curriculum Vitae and a cover letter (maximum 1 page) through email: <a href="mailto:scs@akesios.it">scs@akesios.it</a>. The deadline to present is November 27th, 2020.</p>
